👤 PROFILE

As a valued member of the Boretti, Inc. team, Camarie brings a wealth of knowledge and experience in the Health & Safety field for General Industry.

In her role as a Safety, Health, and Environmental Professional, Camarie consistently strives to deliver exceptional service, leveraging her strong attention to detail and drive to work with limited resources to achieve compliance for our clients.

With extensive experience serving as a safety manager for a nationwide grain operator, Camarie is highly proficient in designing, developing, and implementing safety policies, procedures, and training programs. She has a proven track record of conducting safety inspections and risk assessments, identifying occupational safety and health issues, and developing and executing effective corrective action plans to ensure compliance with Cal/OSHA, EPA, and state and local regulations.

Camarie regularly supports our clients as an on-site safety manager, providing guidance and assistance in implementing effective safety measures and ensuring compliance with all relevant regulations. Her experience spans a wide range of industries including Grain Operations, Agriculture, Gas, Plastics Extruding, and more.

Camarie's areas of expertise include Hazard Recognition, Accident Investigations, OSHA Compliance, Program Audits, Safety Training and Recordkeeping, Air Monitoring, and more.
